A Galaxy of Hope

2nd Annual Heterotaxy Syndrome Awareness Walk

MAY 4, 2027 • BRIGHTON AMPHITHEATRE
Registration 6:00 PM • Walk begins 6:30 PM

Heterotaxy Syndrome is a rare congenital condition affecting the arrangement and function of the body's organs, often including the heart. Every diagnosis is different—and every family deserves hope and support.

The Force Behind Hope Is Community

WHY WE WALK? For awareness. For research. For every family facing Heterotaxy.
